18 - What suggestions do you have to improve the instructor's effectiveness?

David Miller

Response Rate 9/25 (36%)

- Add more information to the PowerPoint slides
- none
- Mr. Miller was great. By far my favorite professor this semester.
- none
- make the exams easier
- to put more effort into the slides contents due to the fact that many people missed classes and fell behind without proper material relevant to the topics
- I wish he would have defined things better on the PowerPoints and would have defined things better when he was giving lectures some things where hard to understand and assignments where unclear at times.
- no improvements
